

## Kaskaz Mara Camp

### Overview

**'Kaskaz' translates to 'north' in the Swahili language to highlight the camp location, with reverse views over Kenya's Masai Mara to the west. Custom designed and locally manufactured, the camp showcases Tanzania resources and craftsmanship; from vibrant cloth highlights to sustainable teak wood furnishings.**

**Established in a private pocket, along an acacia-lined crescent, the camp welcomes the sunrise each morning with wildlife moving along the stream of freshwater ahead. With excellent access to Sand River nearby and the Mara & Bologonja Rivers a game drive away, the gullies and rolling plains hold a perfect haven for migratory and resident wildlife alike.**
