INTEGRATION

Integration is a snap. Download the starter pack, set it up with any website and start earning. Resources for marketing and content are right in the partner dashboard.

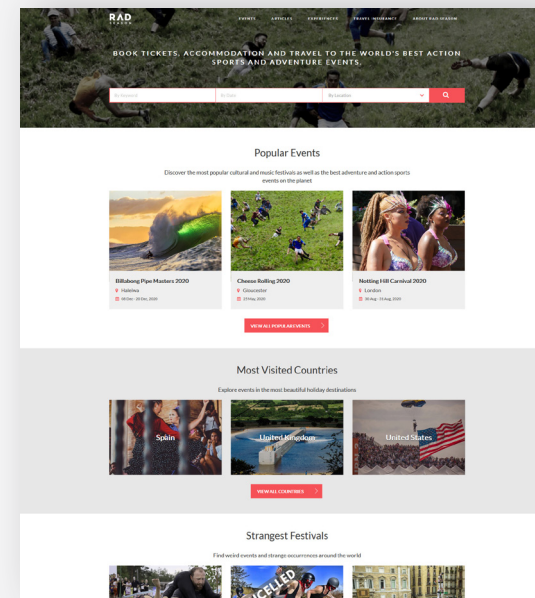

INFORMATION

face is an e-zine dedicated to travel and travel safety. In it, readers can follow adventurers and journalists writing in from all over the world. The publication regularly features articles on safety, security and the ever-changing political landscape in the world's hotspots.

INVITATION

You don't have to be an insurance broker to become a partner. We work with bloggers, associations, specialised travel agencies, travel advisory sites and many other influencers from the travel services industry.
