DELTA EXPERIENTIAL LODGE*

EAGLE ISLAND LODGE, A BELMOND SAFARI, BOTSWANA

## THE ULTIMATE OKAVANGO DELTA EXPERIENTIAL LODGE

Set on remote Xaxaba island, on the passage routes of many species, our lodge has long been the ideal base from which to explore the Okavango Delta's network of waterways and islands. Its design captures the spirit of the Delta, blending cleverly into the landscape while offering super-stylish facilities and contemporary comforts. When the Delta's flooded, usually between June and September, the water wonderland comes to life and is best explored by boat\*. In the drier months, activities include game drives, night drives, nature walks, village visits and an exhilarating horseback and helicopter safari.

*\*Water activities are seasonal, water levels high from June to September.*

A wide-angle photograph of a lodge complex at sunset. The lodge features several buildings with traditional thatched roofs and open-air designs. A large, prominent tree stands in the center, partially obscuring the main building. The entire scene is reflected in a calm body of water in the foreground. The sky is a soft, warm orange and yellow, indicating the time is either dawn or dusk. The overall atmosphere is peaceful and scenic.
