

FACT SHEET

Swartberg Country Manor is nestled on the farm "Voorbedacht" situated in the Cango Valley at the foot of the world-renowned Swartberg Mountain Pass. The picturesque panoramic view of the Swartberg Mountains will bring comfort to anyone that wants to "get away from it all" and simply soak up the peace of its tranquil surroundings.

The extraordinary views of the Swartberg Mountains from the veranda of the original farmhouse compelled us to create a venue where more people could share in the tranquility and serenity of this beautiful valley.

"Voorbedacht" farm is nestled amongst working farms, it offers our guests the unique opportunity to explore and experience the true essence of subsistence farming in the Little Karoo. Among the various agricultural products farmed, livestock such as, cattle, sheep and ostriches are also present. Daily walks on the farm allow guests to experience the peace and serenity of this beautiful valley, while for the more "wild at heart"; excursions into the mountains can be arranged such as mountain bikes to explore the more rugged terrain.

Our Manager and the team will be your hosts, ensuring that you have an unforgettable "homely" experience. Adding good traditional food and comfortable accommodation to this "farm" experience, we trust that you will "rediscover your soul"!

Enjoy our exquisite warm summer days by relaxing next to the swimming pool whilst enjoying a refreshing beverage served from the bar.
