LUNAR RAINBOW

Lunar rainbow, or "moonbow," is an optical phenomenon that occurs when moonlight refracts through water droplets in the air. At Victoria Falls, this rare spectacle can be seen during the high-water season of the Zambezi River. The best time to witness it is on full moon nights between February and August.

VISA's

KOSHER KITCHEN

Mukwa River Lodge features a dedicated kosher-lite kitchen, fully equipped with separate sets of crockery, cutlery, glasses, utensils, pots, and pans for Milchik, Fleishik, and Parev. Separate washing facilities are maintained, ensuring no crossover with the main lodge kitchen. All kosher food stocks are stored separately in designated fridges, freezers, and shelves. Our guest suite doors use traditional locks and keys rather than keycards, accommodating kosher guests during Shabbat.
