

The AirKenya Advantage

EAST AFRICA'S PREMIER SAFARI AIRLINE

Why choose AirKenya?

01

Pioneer Airline

For over five decades, AirKenya has been the trusted name in East African aviation - the region's original safari airline, first to fly into the Maasai Mara.

50+ YEARS OPERATING

02

Premium Experience

Exclusive departure Lounge and arrival terminal for comfort and privacy. Warm, personalized service from check-in to the cockpit, flexible to every traveler's needs.

EXCLUSIVE LOUNGES

03

Superior Fleet

Every aircraft features twin-engine configuration for enhanced safety. 70% of our fleet features pressurized cabins, reducing fatigue and enhancing comfort.

TWIN-ENGINE SAFETY

04

Uncompromising Safety

- World-class Canadian pilot training.
- Proactive preventive maintenance.
- Rigorous quality assurance across every flight.

SAFETY-FIRST CULTURE

05

World-Class OTP

82% on-time performance, placing AirKenya among industry leaders. Guests rely on our reliability to deliver flawlessly coordinated safari itineraries.

INDUSTRY-LEADING

06

Sustainable Travel

We are committed to responsible and sustainable aviation through community empowerment, wildlife conservation, and environmental stewardship, creating meaningful travel experiences while safeguarding our planet for future generations.

TRAVEL WITH PURPOSE

Connecting safaris in East Africa

Kenya. Tanzania. Uganda

AirKenya is the only safari carrier in East Africa with fully owned subsidiaries in both Tanzania & Uganda making us uniquely positioned to deliver seamless, **guaranteed cross-border connections** between the region's most iconic safari destinations.
