# ABOUT US

## OUR HISTORY

To enter the hotel business, the Alpitour group acquired **Altamarea** in 2003, which in 2007 changed its name to **Alpitour World Hotels & Resort** with a portfolio that included hotels, villages and resorts located in the most beautiful seaside and mountain resorts.

In 2014, following a new re-branding process, **VOIhotels** was born: the ambition to bring Made in Italy hospitality back to the levels it deserves.

**VOIhotels** manages **14 resorts and hotels** in the most beautiful paradises of the world, in Italy and abroad.

The portfolio is organized into **two product lines**:

- The **RESORT** line
- The **ESSENTIA** line

Furthermore, to offer unforgettable and stylish experiences, the **VRetreats** collection was born, which manages **8 charming hotels** in iconic Italian locations: Rome, Florence, Venice, Costa Smeralda, Syracuse, Taormina and Breuil - Cervinia.
