Ethiopian Inaugurates the New Jinka Airport Terminal

Ethiopian Continues to Renovate and Construct Domestic Airport Facilities

Addis Ababa, April 3, 2024

Ethiopian Airlines Group, the largest airline group in Africa, inaugurates its Jinka airport project, unveiling a new terminal and support facility buildings. The new state-of-the-art airport terminal is now open for service, following a grand celebration held today in [Jinka](#), one of the emerging cities in the South Ethiopia Regional State.

The two-and-a-half-year project covered the construction of a new terminal building having a total built-up area of 3,500 square meter, support facility building, and external facilities including exclusive VIP parking area and other facilities.

Regarding the inauguration of the new Jinka Airport, Ethiopian Airlines Group CEO Mr. Mesfin Tasew said, *"We are truly delighted to witness the completion of the brand new Jinka Airport Terminal Building project that has been under construction for the last few years. As a national flag carrier, Ethiopian is playing its part in the country's aviation transformation and Jinka is our latest contribution to Ethiopia's modern aviation facility. The new Jinka airport will further offer a comfortable travel experience to/from the city thereby boosting trade and tourism in the region and beyond. Committed to enhancing customer experience, we will continue to invest in renovation and upgrading of domestic airports."*

Following the finalization of the project with an investment cost of more than 8 million Euro for construction, [Jinka](#) Airport Terminal is now equipped with modern passenger service areas including departure and [VIP lounges](#) and other facilities that will enhance customer experience.

The completion of the airport will help Ethiopian offer an upgraded customer services to its passengers to/from the city. It also creates a comfortable experience to tourists traveling to southern Ethiopia to visit the exotic people, culture, and nature of the region.
